Rock Your Socks Day!

March 21st 2019

World Down's Syndrome Day takes place each year to celebrate Down's Syndrome. The date, the 21st Day of the 3rd month, represents the 3 copies of Chromosome 21 which are unique to people with Down's Syndrome and stripy, funky socks have become our worldwide emblem. Please help us to raise awareness and to unlock the potential of children with Down's Syndrome in our local community.
