1	<p>Reading - it is important to read every day, even if only for 10 minutes although a little longer if possible. As last week, choose from Rapid Reading, Teach a Monster to Read, Literacy Planet or a book of the student's choice. BorrowBox can be used to choose books from Oldham Library. Again, please ask questions to check your child's understanding of the reading.</p> <p>Lots of authors are reading stories every day – check out www.oliverjeffers.com and select books – he is reading a different story and explaining why he wrote each one – also have a look at www.worldofdavidwalliams.com</p> <p>I hope you enjoyed writing your story last week and found a lovely picture. This week I'd like you to write a diary – write a sentence every day and draw a picture to go with it and if you feel up to it, stretch the sentence to a paragraph.</p> <p>There will also be different activities on Seesaw – if you like the look of them, have a go but if you don't, leave it, please do not stress about it. There is also Purple Mash to have a look at.</p>	 <ul style="list-style-type: none">  I can't do it yet  I can nearly do it  I can nearly do it

	Finally, play games. Have a go at Monopoly, scrabble, uno or cluedo, they are a fun way to learn many different skills. Enjoy your learning and stay safe.
