

Subject: English	Week: 4 onwards
Class: 11APN	Teacher: Mrs Fitzsimons
<p>Hello everybody! I really hope that you and your families are coping with staying at home and that none of you are poorly!</p> <p>I have been sending work through the Home Learning section on the School website, but I can't see the work you are completing, apart from your work on Seesaw and some of it is really good. With Seesaw, you can complete the work on the app, this can be through writing on the activities, typing, recording voice messages or even a video.</p> <p>I am regularly updating your learning tasks so that you have activities to complete every week and you can choose when you do them. Please use this guide to assist you in getting logged on to the app so that the work can be completed. You also need to make sure that you do at least ten minutes of reading every day and more if you can. Hopefully by now you are starting to enjoy your books – I read every night at bedtime and it helps me to go to sleep so you could try that if you don't get to sleep easily.</p> <p>If you need login information or assistance with work, please do not hesitate to contact me on efitzsimons@newbridgegroup.org</p> <p>Guidance for parents and carers:</p> <ol style="list-style-type: none"> 1) Each Pupil will have the Seesaw app already downloaded on their iPads. If not, they need to go to self-service and type it in the search bar and download the app. 2) Once they have opened the app, they will need to log in using the details I have included below. 3) If your child is finding work too hard or too easy, they will be able to contact me through the Seesaw app. I will again be providing an access code so they can join this group and stay in touch with myself. <p style="text-align: center;">Hope this helps you and all pupils access their learning 😊</p>	

The use of the Seesaw app will allow the pupils to send the completed work to me, as a result I will be able to assess the work and set and adjust work appropriately. Sometimes I will put fun activities in as well.

Evaluation:

I can't do it yet

I can nearly do it

I can do it
