

Subject: Food Technology	Week: 6
Class: 12JWS. 12SRN. EMPVPK. NGCKN. 13AKE. 14LJT	Teacher: Mrs Walters

Learning Outcomes:

Design and create a sandwich that you would like for your lunch.

- Think about what you like to eat.
- Do you want a hot or cold sandwich?
- What sort of bread would you choose?
- Is it a healthy choice?
- What sauce, if any would you like?
- Will it be easy to eat?

Remember there are lots of different breads.
Will your sandwich need the bread buttering?
Are you using a hot or cold filling?
Will you need to add seasoning?(salt & pepper)

Use the sheet below to plan your sandwich, don't use too many items or they will fall off while you are eating.

Activities:

Plan out your design below.

Bread	
Butter	

Fillings	
Sauces/condiments	

Draw and colour you sandwich.

This is what my sandwich will look like.

Now make the real thing for you and your family.

Evaluation:

I can't do it yet

I can nearly do it

I can do it
