

Let's Cook for our hero's Rainbow cheese toasties

INGREDIENTS

8 slices of bread

Butter

4 cheese slices

1 cup of grated cheddar cheese

Food dye

Note: this recipe makes 4 sandwiches.

Method

Place 1/4 cup of cheese in 4 bowls and add food dye – yellow to one, red to one, blue to another, and red and blue to make purple in the 4th. Stir the food dye into the cheese.

Butter one side of 4 slices of bread and put a cheese slice on top of the butter. Sprinkle on the coloured grated cheese in “lines” or strips. Butter the remaining 4 slices of bread and place on top of the grated cheese to make 4 tasty and colourful sandwiches. See picture.

Heat up a small amount of oil in a frying pan over medium heat, carefully place in a sandwich and fry on each side until golden brown.

Always ask permission when using the hob.
