

Macbeth

William Shakespeare

Macbeth and his friend Banquo were brave **soldiers**.

Visual/Vestibular: cardboard/plastic shiny sword, play fight as appropriate.

Three **witches** said, "All hail Macbeth, thou shalt be King hereafter!"

Visual/Proprioception: look at/wear a witch's hat.

Auditory/Proprioception: press switch to hear quote in witch's voice

Lady Macbeth gave the guards **wine** to make them sleep.

Taste/Smell: grape or pomegranate juice in plastic goblet (one for each learner).

"Is this a **dagger** which I see before me, The handle toward my hand?"

Visual/Tactile: explore small dagger (plastic, wooden or cardboard)

Macbeth was the new **king**, but he was worried.

Tactile/Proprioception: explore/wear crown

"Double double toil and trouble, fire burn and **cauldron** bubble".

Visual: cauldron with liquid in.

Proprioception/Tactile: stir liquid in cauldron with circular movements.

The witches told him he would be king "until Birnam **Wood** remove to Dunsinane" castle.

Smell: pine essential oil OR

Tactile/Smell: pine branch

"Out damned spot! Out I say!" Lady Macbeth kept **washing her hands** to get them clean.

Tactile/Smell: wash hands in a bowl of scented/soapy water

Macduff disguised his soldiers with **branches** from trees and his army got into the **castle**.

Visual/Tactile: explore/hide behind branches from a real tree (with leaves on if possible)

Malcolm, Duncan's son, was crowned the new King of **Scotland**.

Auditory: Scottish national anthem.
