The New Bridge Group continues to support our young people into employment through supported internship and employability programmes in the Oldham/Greater Manchester area.

We have a vacancy for a Senior Job Coach who will be responsible for delivering Functional Skills and Employability, liaising with employers and dealing with any issues, supporting current placements and developing new placements. There will also be supervision of job coaches. A key part of the role will be liaising with placement hosts and developing new placements for students.

This post is based at The Royal Oldham Hospital as part of our Bridging the Gap project, a 1 year supported internship programme for Year 13/14 students.

Own transport is an essential criteria as there will be continual travel to other sites within our trust, you may also be asked to support students on placements at other locations across Greater Manchester.

For more information about this role please contact Daniel Wood via email: dwood@newbridgegroup.org.

New Bridge MAT is committed to safeguarding and promoting the welfare of children and applicants must have a commitment to safeguarding young people. This post is subject to a satisfactory enhanced disclosure from the Disclosure and Barring Service and references will be sought prior to interview.
